“ Thank you Lord for giving Nicole and I time to share with Joe & Rhonda while they boys were all together under one roof. One of our best memories was watching Rhonda get the boys together for prayer before they left for school ; she use to pull Carlos in teaching him how to catch hands to pray with his big brothers. Carlos had the sweeties smile just like his momma. I'm going to carry that precious memory with me till we are all together catching hands in the Kingdom dancing just the way Rhonda use to with little Carlitos (Red Hot Chilli Peppers) . See you two on the other side from our family to your's. Sarah G.

“ Carlos was my best friend. The only person in the entire world I could be my entire self around. He was funny and sweet. Sensitive when need be but he was the man that kept our family safe. We never feared with daddy around. He loved his kids. They were his world. His blessings. And he was ours. The day he passed he wrote me a note. A note that will forever bring tears to my eyes. A note I never imagined at the time of getting it would be the most important note I will ever receive from him. To believe in God was always a concept so difficult to grasp, but our last days with him proves to me that God made sure we had the time we needed with him. He took care of us and Now I choose to have faith he will take care of our protector, our daddy, our baby boy. I love you Carlos Daniel! ALWAYS!
